_____, is proud to partner with Alzheimer's Family Services of Greater Beaufort in their Purple Haven Project. In partnering with us, they agree to provide materials to include but not limited to:

- Laminated guides for interacting with an Alzheimer's individual
- Cling window decals to identify _____ as a Purple Haven Project.
- Include _____ as a Purple Haven Project participant in literature provided to their clients and their caregivers, as well as on their social media.

In return, we agree to:

- Display the provided window decal in a prominent place
- Ensure that the laminated guidelines will remain in a readily visible location for all staff
- To earnestly participate to the best of our ability in the Purple Haven Project
- To educate new staff as needed or schedule a repeat training session with AFSGB
- Add information on our website indicating that we are partners with AFSGB in the Purple Haven Project.
